Dear Mr Achiller

We received your very fine report today concerning our Radio Station ZFB-1.

Let me say that we started broadcasting on August 29, 1962 on 910 kcs, signing off at 1:00 A.M. daily, and commenced all-night broadcasting on November 19, 1962 with a change of frequency to 960 kcs, with a power out-put of one thousand watts-(effective radiating 870 watts).

Checked log and am verifying your report.

Once again we thank you very much for the line.

Yours sincerely

M. Sheppard
